We are offering sponsorship opportunities to our Chamber Members first.

Platinum Sponsorship: (\$2000.00 Minimum) This is a new sponsorship this year. This sponsorship will sponsor the band and fund the donations. This spot will be given to the highest bidder. The bid will start at 2,000.00 and will go up from there. Your business will be aired on Brandenburg Telecom T.V. channel 1. This will also include a 40x40 banner set up close to the band, a banner at the entrance (everyone in attendance will see), and a free booth next to band. ***We will only offer one spot.*** This spot will go quick. Please let us know your bid at the chamber office. If your bid does not win you will automatically be a Gold Sponsor. ***Those spots will be saved for you.***

Gold Sponsorship: (\$1000.00) There will be 8 spots available. This level of sponsorship will include your business name/logo on one of the tethered Balloons. These balloons will be seen by everyone attending (and some not attending). Your Business will also be on the Brandenburg Telecom Ad on channel 1. We have a limited number of spots, please act fast.

Silver Sponsorship: (\$500.00) There are 26 spots available. This level of sponsorship will include a banner with your business name/logo on the "Hot Air Balloons." These Sponsors' banners will appear in pictures of those walking around and taking pictures of the balloons and will (no doubt) be on social media as well.

Parking Sponsorship: (\$250.00) We will only have 8 spots available here. There were will certain drop off and pick up points for people arriving and departing the event. We will ask which area they are parked in when taking them back to their vehicles. If you sponsor a spot your business will be mentioned multiple times throughout the night along with a banner that includes your company name and logo.

For smaller donations, call the chamber office and ask about our selfie wall.

We would like to take this opportunity to invite and encourage you to sponsor this special event.
