# GMAW Basic Welding Class

**Instructor: Scot Bratcher \$380**

This course will introduce safety in the welding environment with a focus on Gas Metal Arc Welding (GMAW/MIG). The course introduces the student to typical weld and material processes and flaws, weld joint design and welding metallurgy.

This class will help you gain valuable skills to assist you on the farm, at work or in your job search. These skills are used in manufacturing, automotive industry, construction, custom fabrication and more.

At the end of the course, you will also have the opportunity to take the AWS certification test for an additional cost.

**Class will meet Tuesdays & Thursdays for 6 weeks:**

October 12, 14, 19, 21, 26 & 28

November 2, 4, 9, 11, 16 & 18

5:00 pm – 8:00 pm (CT)

Breckinridge County ATC - Hardinsburg
